

WINE ENTHUSIAST GIANT

300-BOTTLE WINE CELLAR WITH VINOVIEW SHELVING

BENEFITS

- The Wine Enthusiast Giant 300-Bottle Wine Cellar with VinoView Shelving offers the capacity of a small room cellar, in a single-zone free-standing cabinet
- It is designed for bulk storage, keeping your wine at the correct temperature and protecting your investments with state-of-the-art-performance
- Each innovative sliding beechwood VinoView shelf proudly displays 6 of your favorite bottles with the labels forward, with an additional 8 bottles behind to enhance storage capacity
- Updated compressor cooling, increased insulation and Low-E dual pane glass door allow the Wine Enthusiast Giant 300-Bottle Wine Cellar with VinoView Shelving to operate in ambient temperatures up to 100°F while using less than half the energy of earlier models
- Features a black aluminum trimmed door with black aluminum handle
